

Fire Pits

When you are looking to add a fire pit feature to your outdoor living space you will find just what you are looking for at The Brickyard.

We offer easy-to-intall, high quality wood burning or gas fire pit kits in a variety of colors and styles.

No matter your needs we have a solution to fit your "burning" desires.

THE BRICKYARD, INC. is the leading distributor of brick, cultured stone, pavers, retaining walls and other structural construction products in southeastern Wisconsin. We have been providing homeowners and construction professionals with high quality products for over forty years.

Not Just Bricks

We offer a full line of products for your construction project. Items such as outdoor kitchens, fire pits, natural and manmade paving products, fire features, glass folding door systems and low voltage lighting, along with new and used brick options. We also offer the accessory items needed to install these materials such as mortars and installation products.

Our goal is to provide our customers with quality material and products to improve their living and workspaces.

High Quality Service

It is important to us to know the industry and our products. Our staff has had years of training and experience in all aspects of the industry including landscaping and construction. We are focused on providing our customers with high quality materials and excellent service. To ensure customer satisfaction, we are continually expanding our product lines and product offerings to provide our customers with a variety of standard and specialty options.

Our knowledgeable staff is here to help with any questions you may have regarding your project. Visit us today!
